Lawrence ArtWalk 2004: Call for Artists

As part of our plans to mark the 10th anniversary of one of Lawrence's premier annual arts events, our focus this year will be on artists during the Lawrence ArtWalk weekend while art galleries will be featured on the Friday evening immediately before as part of the Fall Downtown Gallery Walk. Additionally, a preview exhibition is to be scheduled in the weeks immediately before the Lawrence ArtWalk, which will feature a representative piece of art by each artist.

This is a great opportunity for fine artists to exhibit and sell their work to the public in their own studios, and to allow the public to meet them in person. It is also a chance to sell artwork early for seasonal gifts! Artwork by last year's participants may be seen online on the Lawrence ArtWalk's website.

Basic registration info follows but for complete details and requirements, please refer to the registration form.
